Program Description (written by Provider) Ace it! Tutoring is an innovative program designed by Sylvan Learning, Inc. to serve students at need academically. Students are given a pre and post assessment. The assessments used for program placement and to measure student growth are the Group Reading Assessment and Diagnostic Evaluation (GRADE) and the Group Mathematics Assessment and Diagnostic Evaluation (GMADE). Both assessments are published	
Evidence of Effectiveness (written by Provider) Ace it! Tutoring began serving students during the 2004-2005 school year and to date, over 4,000 students have completed the Ace it! Tutoring program. Results show that Ace it! Tutoring is successful at making substantial growth in students' core reading and math skills in a condensed amount of time.
